

Lawrence Williams #22759083

About Lawrence:

My name is Lawrence but everyone calls me Boogie. First and foremost let me say this, if you're tired of corny lines, lies and mind games, then here is where your search for the real and authentic ends, and our future potentially begins. I've made my fair share of mistakes in life, yet I thoroughly believe that a man's current circumstances do not accurately define his future, thus as I intend to build my tomorrows, my hope is that I will be able to do it with a genuine woman of quality...

Perhaps that someone could be you! I'm simply looking for a woman that is like-minded and compatible with me. I'm not one who physically or emotionally abuses women. I'm straight-up, honest, open minded and cautious yet adventurous with my heart. I enjoy traveling, I am smart, confident and driven. I'm funny yet romantic and attentive to my woman's wants and needs. I'm also ambitious and would like an equally driven woman that is willing to do what is necessary in life to achieve success as a power couple.

So let's talk about you for a change of pace. What are you into? What's your favorite color? What are your likes and dislikes? What do you look for when meeting someone? Hopefully your interests are piqued and your courage is in full bloom. I look forward to hearing from you soon.
