

Cody Testerman is 33 years old and incarcerated in New York, USA

Point blank: I'm a funny nerd that makes corny eye-rolling jokes and obscure references. I'm all about anime and manga, which I'm an artist of. My favorites are Cowboy Bebop, Inuyasha, and Full Metal Alchemist. I'm a 90's kid though that grew up on South Park, Family Guy, and Are You Afraid of the Dark? My music flows from Hinder and ICP, to Disturbed, Linkin Park, and Evanescence.

I was born and raised on a reservation. I have super long black hair and tower at 6'3". I keep an average build, although I work out to up my appeal rather than health since I grew up as a chubby kid, which then turned me into a hardcore Hot Topic goth with anxiety issues.

Sorry if you expected some super tough dude, haha. I'm actually laid back and drama free, and not many choose to live that way. But hey, to each their own. I'm trying to find a like-minded individual who I could get to know more about, you know? To connect and share laughs with.

Cheesy love novels take up my nights because I'm a diehard hopeless romantic at heart. Lately though, I've been hellbent on exploring all horizons by reading books on religions, theology, sociology, astrology, and fun facts. My hobbies include fantasy fiction writing, (formerly) gaming, and meme making.

Today I stand as someone who when they want something gets it done, which is the polar opposite of who I was before lockup. I'm enrolled in the Cornell College program here in order to receive my associate degree in liberal arts, which I'll be graduating from soon with a 3.7 GPA. Woo-hoo! I work in the license plate factory, which I thought was only in cartoons, haha. It's real! I aspire to be a counsellor, since I basically grew up on the internet and spent time in chatrooms finding the depressed, getting to know them, and doing my best to cheer them up.

Two strengths and a flaw? Strength: I have a need to help people. Like, I can't walk away if someone is feeling down or upset. I go out of my way to gather up karma, even in here. This is a strength because most find it easier simply to ignore one in need. Number two: I'm brutally honest about everything. Some don't like the truth, but let's face it, too many people lie, and it always makes things worse, or it feels like they are hiding something, right? Well, I'm an open book and I love asking and answering questions because I may learn something I've never realized about myself, and we'd end up forming more bonds. I hate having friends I don't really know. Flaw: Unfortunately, I'm way too trusting and that often leaves me exposed to a knife in the back, my pockets to be emptied, or my heart to be broken.

Please tell me a little about yourself and let's get to writing, shall we?

Thank you for reading!
