Jesse Hollywood is 44 years old and incarcerated in California, USA

I'm looking for intellectual conversations with females only.

I love long jogs on the yard and work outs with handmade weights in the cell. I also enjoy quiet evenings thinking about traveling, drinking expensive liquids, fine dining and adventures with purpose.

In relationships, the heart of each should hold infinite sources of life for the heart of the other. Love renews and provides the bright dawn of a new future and full resurrection into new life. Friendship is everything, it is closest to family. It is more than government. My blue Irish eyes are always smiling.

If you want to hear fake stories and half truths about me just read the articles and watch the movie, but if you want to find out who I am or just want to talk to someone who won't judge you, contact me through snail mail at the address provided or jpay email.
