## Ross Beaulieu is 25 years old and incarcerated in North Dakota, USA

I'm a young man dealing with the adversity life has put before me. I've been through the struggle.

I'm introverted but willing to go the length & open up to whoever to possibly find a connection. I want to build a solid relationship/friendship that can carry through thick & thin. Someone to keep it real with & who can be here for me. Someone who can uplift me as I'll do the same.

I enjoy playing/watching basketball & football. I love the outdoors & music. Vibing & having fun. I enjoy making others happy too.

Tap in with me so we can look further into each other's desires. Write me a letter with your number and some pictures and I'll hit you back.

If you contact me on JPay, please leave a mailing address (if you feel comfortable) so I can write back as I am unable to reply on JPay currently.
