

Giovanni Cotto #23637-055

About Giovanni:

I'm in search of a pen-pal who would not mind writing and developing a friendship. Someone once said that a stranger is just a friend you have not met yet. I believe that is true, do you? I also believe that true friendship should be built on trust, respect, honesty, appreciation, sincerity, and attention. Because I believe in honesty up front, feel free to ask any question you may have for me, okay? No topic is taboo either!

I love to write letters and meet new people, and I really hope we can connect and become great friends. Nothing in life is guaranteed, but should you consider becoming my pen-friend, here are some things I can promise to be for you: someone you can come to for comfort; eyes you can look into and trust; a heart that understands and doesn't judge; a supporting shoulder to cry on; a door that is always open, and time devoted to you alone.

If this sounds like something you'd be interested in, then don't hesitate to write back. My only intention is to gain a friend. Thank you in advance for taking the time to consider my words and photo. I look forward to hearing from you soon and no matter what you choose, I hope that you are blessed this year.

P.S. I love quotes. "Letter writing is the only device for combining solitude with good company" - Lord Byron.
