About Christopher :

"Your pain is the breaking of the shell that encloses your understanding"-- Kahlil Gibran

If you've got it all figured out, maybe you can share some games with me. If you're still tryna figure it out, maybe I've got some for you. For people new to this, I know it can be an intimidating thing. For people who've been here before, I know it doesn't always turn out how you had hoped. Either way, don't be discouraged.

Hmu if you're tryna catch a vibe and connect with someone who's on something different than what you're used to. I can't guarantee that you'll find what you were looking for, but I can guarantee that you'll love what you find.

My only expectations are sincerity, communication, and respect. Come as you are and I promise that I'll do the same. My hopes?...

A friend, a love, a hard laugh, a good cry. Someone to share a light with, a shoulder in hard times, different thoughts and experiences. From a different perspective, the most growth comes from new connections.

Feel free to get at me in whatever way is most convenient for you. Most people prefer e-messaging on the SecurusMobile app. It's a new service and there are some bugs, so if you don't hear back right away just keep checking your inbox. I'll not respond to you if you take the time to get at me. FYI the app does not give notifications, so it helps to turn your e-mail notifications on.
