## About Daovilat:

Hey, my name is Daovilat. My name is pretty difficult to pronounce, so almost everyone calls me "AD" or "Asian D." I'm Puerto Rican and Laotian, and I speak three languages: Spanish, English, and Laos. I'm the father of three beautiful children who are the core of my existence. Everything I do today is to get a step closer to who I want to be tomorrow so that they can have someone to look up to and be proud of.

I love to draw and tattoo. Besides working out, it's how I spend most of my free time, and it's my absolute passion. I've put together a legitimate business plan to open up my own tattoo parlor once I'm released. Right now, I'm just looking for friends - someone with positive energy that I can have a conversation with. I'm honest, trustworthy, and utterly loyal. My family says my biggest problem is that my heart is bigger than my brain. I just believe that there are two sides to every coin, and sometimes things aren't always what they seem.

With that being said, all I ask is that you get to know me before you judge me because I'm more than just tattoos and muscles. If you want to know anything else, don't be shy, just ask.
