## About Skyler:

Dear Random Stranger,

Greetings. I'm Skyler (you probably know this). 6'2" tall, weighing 180 pounds, and an assortment of various kinds of white. Fun fact: for some odd reason, my breath always smells good. I mean, I brush frequently, but I could eat a whole clove of garlic and you'd still want to kiss me. I have gauges and 10 tattoos (so far). I'm currently 7 years into a 15-life sentence and expect to get parole in 2031.

Want to know the secrets of the universe? I do. If you don't then be gone, ol' boring human. I can tell you some of them. For example, did you know that, at the quantum level, subatomic particles often do crazy things like spontaneously change into other kinds of particles, teleport, and even go backwards in time? Now you do.

Indeed, I'm kind of a nerd. I'll surprise you though. For example: I rap, and am a beast. I rhyme 5-10 syllables per bar, create clever metaphors, and discuss topics more substantial than typical radio stuff like clubs and jewelry. On the streets, I'm a computer programmer. I like to ride street bikes (and anything with an engine), go hiking and exploring, smoke weed, and build/fix stuff.

In prison, I became a paralegal, so I spend a lot of time suing the NDOC. I work out, read (mostly non-fiction), listen to music, hustle, fix electronics, build stuff, and do legal work for others. Want to learn more? If so, write me a thoughtful letter and demonstrate that you're worth my time. I warn you though: I'm interested only in depth; I get enough superficiality in here. Tell me about your goals, dreams, curiosities, and ideas. If you don't have many of those, then let's not waste our time. If, however, you, like me, crave more than the mundane, then I offer you an opportunity to satisfy some of your longings.

Your Potential Friend,

Skyler
