## Francis Arbolay is 29 years old and incarcerated in Massachusetts, USA

I'm a deep-thinking history buff, artist, and college student ( because a man without knowledge ruins more than he fixes). Looking to build something with someone honest, reliable, understanding, and healthy (because the goal is to get better together).

Music, art, current events, and pop culture are some of my interests. Family is not just one important thing, it is everything. I value other people's opinions and points of view as well as constructive criticism. I'm here to support, push, and motivate you to be the best version of yourself as I feel you should be for me. I won't say I'm not like other guys, but I KNOW that there is no other guy like me. I would enjoy getting to know you.

Write me a letter or could also email me on my email carrier listed below, pictures are welcomed.
