## About Joadanus:

I'm Joadanus Olivas, what brings me here is the optimism of positive people in the world who I can meet. I believe there are open-minded individuals who will allow people like me to connect, especially on a social level.

All humans have emotions and are social even when confined. If you reach out to me I'll respond back. I welcome anyone who seeks consistency, maturity, humor, religion, and positivity. I would love to learn about other cultures. I have an open mind. I'm a writer with recordings and videos online. I love writing and I'm on Youtube. I wish to try to be free and I'm having a lot of fun.

This is my 14th year of confinement. Yes, I know that's quite a long time. But I'm not doing bad, I can hold a conversation. I'm far from perfect, so I welcome anyone to correspond with me. I don't have any children, I have some family, and one best friend who I correspond with. Whoever I meet, I look forward to expanding my horizons.

Thank you for reading and giving me a chance, peace!
