

# Tommy Basco is 36 years old and incarcerated in Oregon, USA

My name is Tommy Basco. I'm 36 years old, 6ft tall, and weigh 210 lbs. I'm nearing the end of a 10-year sentence. I've worked hard to turn my life around while in here, and believe me, that is not easy. I've been taking college classes and plan to continue when I am released.

I'm looking for people to talk to, to get some perspective on the world, post Covid, that I'm about to be released into. I'd like to make a friend or friends to help with my transition to freedom. I'm a positive guy with many hopes and dreams. I'm social and outgoing. I value physical and mental fitness. I love to read and learn new things. I plan on living a positive, productive, and meaningful life when I get out.

I don't have a lot of support, so I'm looking for someone to talk to and get to know. If you would like to get to know me and possibly make a real difference in my life, you can write to the address below (ask me for information on how to text).

Thanks for reading, and I look forward to meeting you!
