

Tommy Meyer is 44 years old and incarcerated in Illinois, USA

My name is Tommy. I am nowhere near my support system. I talk to my mom every day because she is basically the only person I talk to.

I am trying to find someone who will talk to me and listen to me. I am trying to keep my head above water and do my time so I can hopefully get out early on good behavior. I have definitely learned my lesson after the places I have been to and the things I have seen. I never got to mourn my sister who passed away in 2017 with my family due to the fact that I was arrested right after her funeral. That really messed me up, and I have been making bad decisions ever since. That and trusting the wrong people.

So if you would like to be someone I can communicate with, please write me.
