

# Charles Powell is 57 years old and incarcerated in Ohio, USA

Hello,

I'm Charles, and my pen name is "Saint Study" because that is where my heart and mind reside - in study. I dedicate a significant part of my life to studying. Most of my time outside of studying is spent writing. I have books that I'm eager to publish, and I've developed curriculum for programs that I'm looking forward to implementing and teaching. Additionally, I have plans for a non-profit organization that is guaranteed to help many people.

I am a prolific writer, particularly in verse. I've been writing poetry since 1985, initially as a response to heartbreak. I consider myself a romantic, and I am known for being attentive, honest, and loyal to a fault.

I make these promises to you:

- I will write poems and notes about how you make me feel and how you make me a better person.
- I will use every available means of communication to compile a perpetual love letter for you.
- I will find inspiration in your every word and action.

Feel free to reach out if you'd like to connect further.
