## About Cody:

My name is Cody Browning, and I am 38 years old. I have one daughter who is 9 years old and she is my world. I am originally from Victorville, California but have lived in Missouri for the last 15 years. I feel like I am a pretty normal guy.

My interests include outdoor activities like camping, hiking, and swimming. I also love listening to music and going to concerts. Music is my soul and has gotten me through some really hard times. On the other hand, I also have no problem staying inside the house, watching a movie, and being lazy. I am an experienced cook and have worked in many different kinds of restaurants in my life.

I am hoping to connect with some new people and build new relationships. I'm very outgoing and would love to find someone to help me through the lonely days in here. I have lots of dreams and goals to accomplish inside and outside of here. I will leave here a better person than I came in and pick up life where I left off. I'm keeping a positive attitude towards life and could really use someone to help me get through this time.
