

Ricky Horton #424-586

About Ricky:

Life is a journey that is taken day by day and step by step. I'm looking for someone who can look past this life sentence I have and see that it does not define who I am as a person. I enjoy producing music, writing books, and writing poetry. I believe everything happens for a reason, so it is no coincidence that you're reading this, but the question now is, will you take a step of faith to explore the possibilities?

I'm looking for a friend. A true friendship is what will make this cross I bear more manageable. Although I'm not necessarily looking for a girlfriend, if a romance evolves from this experience, then it will be an unexpected blessing. I offer the same friendship I'm seeking. I'm someone who will listen to you when you just need an ear, a shoulder to lean on when the weight of the world seems to be pressing down, but most importantly, I will always provide you with honesty. I'm one of the most real people you will ever meet, so if we produce a bond, it will be a bond for life.
