

# Javon Barnett is 40 years old and incarcerated in North Carolina, USA

First and foremost, I want to thank you for taking the time to read my profile. My name is Javon, but everyone calls me Von. I am actively seeking pen pals for correspondence in hopes of building everlasting friendships. When these bars aren't an issue, I'd love to shop, travel, and have new experiences. I enjoy reading, writing, working out, listening to music, or watching a good movie. I'm currently on a spiritual journey to become the best version of myself. I'm working diligently on building up this temple that is within, so that my outward environment could reflect my mindstate. It's a daily process of negating the negativity out of my life and focusing only on the positives. "If you change the way you look at things, then the things you look at will change." I'm a firm believer in that.

My focus is to become the energy that I want to be surrounded by. I've read, "If you want to change your environment, then raise your vibration." Prison is a place and not a mindstate, and most people go about their day-to-day without even realizing that they are in "Prison." I find inspiration from various sources, but I believe there's truth in when Jesus said, "The Kingdom of God is within you."

I've been told that I'm quite funny, a great communicator, and an all-around good person. It's nice to be important, but it's more important to be nice. I'm drama-free and well-rounded, but enough about me; let me learn about you. Don't let these walls discourage you, so please hit me up. I'm looking forward to hearing from you. Any and all mail will get responded to. Talk to you soon.

PS I am incarcerated in North Carolina, though we use a mail service based in another state.
