## Jabez Fisher is 22 years old and incarcerated in Arizona, USA

What's up! My name is Jabez but I go by "Bez" for short. I'm 22 years old. I was sentenced to 18 years and currently have 9 years left.

I'm just trying to make the best of the time I have left. During the time I was incarcerated, I have taken the time to reflect on my decisions and feel like I've made a lot of positive changes within myself. I see life for the bigger picture instead of living a reckless and careless life like I used to.

I consider myself a caring, loving person. I like to read and write, draw from time to time, and work out a little bit. I'm all about respect and loyalty. I'm just trying to have some good conversations, learn something new, vibe with someone, and build new friendships.

If you're interested you can get ahold of me by writing letters. The address to reach me is at the bottom of this page. You can also write to me via my email carrier listed below.

I'll be looking forward to getting to know you as a person.
