

Maurice League is 48 years old and incarcerated in California, USA

About Me: Hi, I'm Maurice, and I'm on a journey to find a special connection that transcends borders and miles. While long-distance relationships can be challenging, I believe they can also be incredibly rewarding, as they foster a unique depth of emotional intimacy.

My Passions: I'm an adventurous soul who's passionate about exploring new cultures, trying exotic cruises, and making unforgettable memories. I love the arts, intellectual stimulation and anything that can be conducive to empowering the children in our communities. Lastly, I must admit that I am a hopeless romantic.

What I Value: Honesty and communication are the cornerstones of any successful long-distance relationship, and I'm committed to both. I believe in honesty over feelings.

My Interests: I enjoy listening and creating various forms of music and I appreciate indigenous artwork.

What I'm Looking For: I am a New Afrikan King on a journey to secure something specific not just something in general. Nothing/No-one is perfect, but the key is locating that partner with whom your baggage coordinates rather than clashes. If the most sought-after man, is he who achieves an upper echelon balance of both the Lion and fox characteristic, then the most sought after womban is she who achieves an upper echelon balance of the queen and the ratchet characteristic !! :)
