

Dylan Fisher is incarcerated in Nevada, USA

Hello, my new friend. Let me start by introducing myself. My name is Dylan. I'm 28 years old, 230 pounds, with 30 pounds of soot! I'm more adorable than a sweater made of kittens. I'm shy at first, but once we get to know each other, I'm an open book. I'll be the first to admit I've made the wrong choices in life, been loyal to the wrong ones, been used, abused, lied to, and manipulated. After years of bumping my head, making the wrong choices, and trying to please the wrong people, I've come to find a sad and lonely life.

After the process of breaking myself down and identifying the problems I was putting myself in, I realized my worth and found this hunger to want more out of life. I'm looking forward to meeting positive, honest people who are outgoing and emotionally supportive. I'm tired of childish people. All they do is lie. This is something I've never tried, but as the saying goes, I'm stepping out of my comfort zone to bring something new and positive into my life. If you email me something, please send me the address.
