Gregory Taylor is 39 years old and incarcerated in Maryland, USA

My name is Greg, and I'm looking to make a genuine connection with a woman for friendship, someone to talk to and share things with.

A little bit about myself: I'm an open-minded, active guy. I like working out and playing sports. I believe having fun and enjoying life is important. I love music—rock is definitely my favorite, but if it sounds good, I like it. It's just a vibe and how I'm feeling. I love to joke around and try to make life a little more enjoyable for myself and those in my life. I like watching stand-up comedy for that reason because I love to laugh; laughter is such a great stress relief. I love animals, especially dogs. I speak from the heart about what I like and what I want and will always be honest about how I'm feeling.

I've learned to appreciate life a lot more and everything it has to offer, especially friendship. I'm always willing to listen and I will never judge; I just try to help when I can. I'm looking for someone who is open and honest about how they feel and what they want in life, someone who shares some of my interests and wants to get to know me better. If this sounds good to you, then I would like to hear from you.

You can contact me directly by going to the message service listed below. Just use my SID# and state which is Maryland. You can send messages at any time, but I can only see and respond to them between 7 am to 10 am and 7 pm to 10 pm.
