About Dynali:

Happiness and joy is what I'm searching for, a pure organic connection is needed. Communication is key an important on all aspect. Some of the qualities I have are, very supportive, understanding, patient, and bring no judgement. These are also the qualities I look for in a woman. We all go thru hard times but who said we have to go thru it alone. Emotional/mental support moves mountains by itself. I'm willing to try my luck.
