

Apollo Lopez #AM8950

About Apollo:

What it do, world? My name is Apollo from Sacramento, California, and I'm 43 years old, a Pisces that is cool, kick-back, and smooth. I have made many mistakes in my life, and I am paying my dues for them. For the last 13 years, I have been working on myself, maturing in my spirit, soul, and body so that I am no longer a liability but an asset to society. I feel now is the time to put myself out there to seek some friends and companions who won't judge me but understand me and join me on my journey of redemption and life.

I am known to be very understanding, kind, thoughtful, non-judgmental, and caring. I can be assertive, detail and quality-oriented because of my previous work history. I truly believe I am a unique person that is a breath of fresh air to anyone who gets to know me. I am multi-talented with many gifts too numerous to list. My preference for potential friends is simple: honest and willing to put in the effort to cultivate a real friendship. I am so easy to talk to, and I enjoy stimulating, intelligent conversations about real life. I have a great sense of humor sure to make you smile secret smiles throughout the days.

If you want to take a chance on a great guy, write me or download the gt/gettingout.com app and correspond with me via institutional email.
