

William Mitchell is 32 years old and incarcerated in Louisiana, USA

First off, big blessings for those reaching out to us behind bars! just know that our situation doesn't define our character! you can call me Brick. I was born in San Antonio, TX and through adoption grew up in the 504/985 area. I am short to touchdown and begin a long-awaited journey of prosperity and joy. Of course, I wasn't always a positive person and did crazy things growing up. but I'm proud of the man I am now. I've been in prison since I was 17 and will go home at 35 years old.

The only regret I have about my situation is that I neglected the people who love me by removing myself from their lives physically and lost valuable time to make memories. But I'm gonna enjoy every second when my time comes and I made this page to make connections with people who know the value of companionship because one of the best feelings is knowing that people are happy because of you. I have plans to start an organization that does just that, called # GoHeal. it stands for "giving opportunity helping everyone acknowledge life/love".

I'm pretty excited to get that off the ground. I'm also writing a novel and am designing a fitness and nutrition app called "BrickFit" for people of any age and body type to reach their physical goals. I enjoy meeting people sharing testimonies and embracing positive people. happiness is found within but it's made to be shared with others. Nobody wants to be alone and I'm looking for somebody to build with, love, befriend, or just talk to.

Hit me up on jpay.com and email me. I'll clap back, in the meantime love those who love you and smile for those who no longer can.. - just me, Brick
