

Gavon Ramsay #A760-295

About Gavon:

Hey there! I'll keep it short and sweet and if I spark your curiosity, you're more than welcome to write me! I'm looking for people who are interested in spirit, soul, and body growth and development. I enjoy conversations that delve far beneath the surface and I love to laugh and see people smile as well. I believe everybody has something beautiful to contribute to the people and places around them, but it takes the right person to unearth so great a gem. Perhaps I'm that person for you. Perhaps you're that person for me?

I enjoy writing music and poetry. I play sports and have a high regard for my health and fitness. I also crochet which is more therapeutic than I had originally thought, but only in prison would I learn such a craft lol. I'm in college and am always searching for proactive ways to mature as an individual, both for myself and for those around me.

I believe if you want to see a difference, you have to be the difference. Thus, I invite you to come be a difference with me! I look forward to hearing from you :)

PS I prefer to communicate via the GTL messaging app: it's just like texting!
