## About Jason:

Friendly, Intelligent Lifer Seeks Companionship

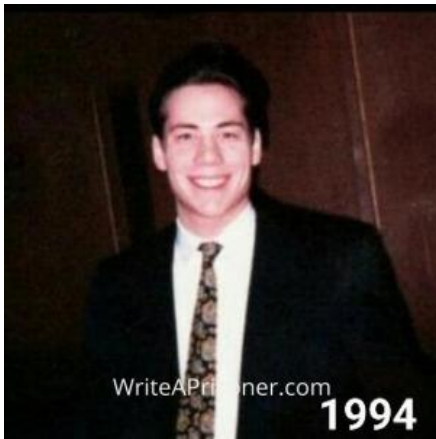

"Wanna be friends?" That's all it took when we were younger. But now, it's a little more difficult, isn't it?

It doesn't have to be. I'm positive and upbeat, seeking the same. Don't let the fact that I live in a gated community make you think I'm a snob. I'm not! In fact, I'm looking forward to hearing from you.

I like sci-fi, fantasy, and classical literature. I'm well-read, with a playful side. I received my degree later in life. I wasn't in a rush. I may have picked up a little of that California laid-back attitude. I also play strategy games. But I never play games with people's emotions.

I would like to write to a woman who will teach me about things outside these prison walls. I was 18 when I came to prison, and I do not have a lot of experience in the free world. Tell me about your life, and let me help you see things through fresh eyes, from a different perspective. We could all use a new friend, right? Contact me now and let the fun begin!
