Jesus Rodriguez is 40 years old and incarcerated in Arizona, USA

They say life is quicker than a blink of an eye, and the story of love is hello, goodbye... We all come from many walks of life, some that attract us, some that yield caution, some that just don't make sense until you cross paths with a person that brings meaning into our lives... I'm nothing close to perfect, never have been, nor do I claim to be... What I can say is that I'm a man with a big heart and an open mind. I'm a realist, and one of the realist you'll ever meet. I ain't looking to waste nobody's time or play games with emotions. That's what boys do. I'm a grown man.

I came on this site with high hopes of finding someone that I can exchange a few laughs and smiles with and get to really know somebody, hoping that, along with that, somebody takes time out of their day to get to know me, whether it be just a friendship or grows to be something more. I'm honestly missing a woman's touch in my life.

So if there is a woman out there that takes interest, all I can say is you won't be disappointed... With that said, I'll be patiently waiting. Here's how to reach me...
