

Edward Combs is 43 years old and incarcerated in Michigan, USA

Hello World!

You've made an excellent choice by clicking on my page, especially if you're looking for a fresh, exciting experience. I can guarantee you there will never be a dull moment dealing with me. As you can see, I still wear a smile on my face because I haven't allowed prison to steal my joy, my sense of humor, nor my sense of self. I love meeting new people and hearing their life experiences because the funny thing is once you compare most of your differences with a person, you realize just how similar in nature you both are. I'm looking to create an everlasting vibe with someone, so being connected mentally is imperative.

I could've created a laundry list of my likes/dislikes, my attributes, my accomplishments, talents, etc. But I feel as though that would defeat the purpose and the process of you contacting me and getting to know me personally.

Sharing a good vibe and having a fun experience with someone is cool, but I'm most definitely in pursuit of my freedom too, so I welcome any and all legal advice and assistance. Regardless of whether you write me or not, please go to @change.org Quest for Freedom and lend your signature to my online petition.

Respectfully,

Edward Combs
