## About Tyler:

Hello, and welcome to my profile! I want to extend my deepest and most sincere gratitude to everyone taking time out of their day to read a bit more about myself.

My name is Tyler, but family and friends call me LIT or Peanut. I am 22 years old, I have one child, and I am a very fun and adventurous person to be around. My hobbies include skateboarding, listening to music, working out, traveling, and spending time with family and friends. I also enjoy shopping, taking photos, and swimming.

During my younger days, I really didn't care to look at life from a brighter angle, and I acted on impulse a lot. But during my time incarcerated, I have had time to reflect on my flaws and do my best to correct them. Although my outer appearance might make certain people want to judge me as a "thug," I have a good heart with pure intentions to make a positive difference in my community and in society. I had a rough childhood and really had no guidance. I do a lot of self-reflecting and reading to better help me with planning to come back into society and make a positive change.

I will end there and leave it up to you at this point if you want to learn more about me and have further conversations. Feel free to write me, leave your phone number, or any other contact info I can reach you at. God bless you all, stay safe, and stay positive! Thanks for reading.
