

Pedro Corona is 38 years old and incarcerated in Arizona, USA

I'm currently in an Arizona prison, serving a life sentence for the past 23 years since I was 15 years old. The main thing I can offer is the truth; I never sugarcoat anything. I'm all about communication and putting action behind every word.

My best qualities are my values and morals, which I never break for anyone. I refuse to be a victim of my circumstances; I always manage to turn challenges into opportunities, a negative into a positive situation. I'm a 37-year-old Mexican man from Compton, California. If you're willing to take a chance on me, I'm willing to take you on the journey of a lifetime that you will always remember!!

Life itself is your career, and your interaction with life is your most meaningful relationship. Everything else you're doing is just focusing on a tiny subset of life in an attempt to give life some meaning. What actually gives life meaning is the willingness to live it.
