

# Julio Lopez is 47 years old and incarcerated in Arizona, USA

Hola,

I'm Julio. I would like to take this opportunity to introduce myself. I am interested in meeting a woman who can catch my attention and share her views on life. Someone I can share ideas and thoughts with and have an intelligent discussion with that many others take for granted.

I warn you, though; I am guilty of having a great sense of humor. I am of Mexican/Peruvian descent. As a Latino, I enjoy Spanish and English music. I am also bilingual. Even though I have been in captivity much of my life, I still miss dancing. I would someday like to learn to Tango.

My interests include literature, art, working out, playing sports, and cooking. I am always seeking growth in the realm of knowledge. For relaxation, watching a good movie and getting lost in the story allows me to escape from within these concrete walls. Presently, I am working on obtaining my freedom. My journey hasn't been easy, but I am blessed to be the man I am today.

I hope that you will allow me to share my journey with you, maybe even help me write a book that I've been thinking of. Now that you know a little about me, I hope we can become friends and pen pals. Thank you for your time and consideration. Hopefully, my hazel eyes will someday catch a glimpse of your world.
