

## Catrell Johnson is 32 years old and incarcerated in Indiana, USA

First off, I am a gentleman; I am extremely good-natured, adventurous, and much more than just a free spirit. I love reading books, writing music, and working out. I am honest, straightforward, caring, and deep.

However, I'm looking to meet new amazing people and make new friends who would not mind getting to know and developing a true friendship with someone in prison. I'm looking to meet and build with someone mentally, emotionally, and spiritually. This situation will give us both the chance and time to really connect, build, and truly get to know each other mentally.

You can download this app called "ameelio," and you can write me on the app. Hope to hear from you soon.
