## **Reginald Jackson is 38 years old and incarcerated in Missouri, USA**

Top of the day to all of the beautiful people who are reading this!

I'm Reginald Jackson, a thirty-seven-year-old African American man from Kansas City. I'm weighing in at 230 pounds. I'm athletically built, dedicating forty-five minutes of my days to fitness. I'm currently serving a seventy-seven-month sentence in the Federal Correctional Institution for possession of a firearm. Before my incarceration, I was a self-employed tattoo artist. I've been in the tattoo industry for almost a decade, but have been drawing since grade school. I specialize in realism and portraits.

I'm coming to the end of my sentence, and before that day comes, I'd like to converse with someone open-minded and down to earth. I encourage you to take a journey with me through an artistic land. No matter your age, size, or continent. All are welcome. Are you feeling adventurous?
