

Zachary Adams is 22 years old and incarcerated in Arizona, USA

Hey, I'm Zach. I am 22 years old, and I'm in the prison system in Arizona. I was convicted for the crime "Possession of narcotics with intent to sell" for 5 years. My earliest release date is December 26, 2026. The latest would be February 22, 2028. I've made many mistakes in my life, but I'm ready to start putting all of those behind me and start moving forward. Almost all of the people I knew/know have a drug problem or are a complete mess. I'm removing everyone from my past lifestyle and replacing them with new people that can have a positive influence on my future. I think it would be good to have someone to talk to.

The life I was living out there on the streets while getting high made me very antisocial, and I completely hated the way it made me. For the past almost 4 years, I was in a very toxic relationship with someone who screwed me up both mentally and emotionally. She kept me from communicating with literally anybody. But now that that's over, I'm trying to get back to talking to people and making friends. I would absolutely love to talk with you. I'm looking for someone I can be honest with and talk freely about anything.

You can message me on the Securus app at the EMessaging or TextConnect section. My DOC number is listed below; the prison complex I'm at is Tucson, and the yard is called Manzanita. Hit me up.
