

# Christopher Flores is 30 years old and incarcerated in California, USA

At 19 years old, I carried out the worst mistake of my life. Determined to change my mindset, I am on a path to earn my psychology degree. I choose psychology because I want to understand myself and my fellow inmates. Prison is a dark and malicious place. However, I will not permit myself to fall into the negative side of prison.

One of my favorite books is "Emotional Intelligence" by Daniel Goleman. I want to meet people that will inspire me to do better and to show me how beautiful life is. One powerful message I learned from life: it's okay to be like a glowstick; sometimes we need to break before we shine.

Take a chance and contact me via the information below. The world is uncanny, and we can probably become friends.
