

# Talon Mitchell is 20 years old and incarcerated in Oregon, USA

Hello, my name is Talon. I was born and raised in the PNW. I am 20 years old and 6'1". Before my incarceration in Hillsboro, OR on February 23, 2023, I was a pipefitter for Local 290, doing contracting work at Intel. I also served part-time in the Army National Guard as a Combat Engineer. My job was to scan for IEDs and dispose of them by blowing them up with a secondary explosive.

In my free time, I love to do pretty much anything outdoors, which includes hiking, camping, kayaking, fishing, cliff jumping, skiing, and running. I also have a passion for cars, more specifically, older, manual Japanese sports cars. My passion for cars also extends to motorcycles. I started out on a 300cc Kawasaki, then moved on to a Yamaha R6, which I rode almost every day until I totaled it at 80 mph.

One thing I have learned in my 20 years is that you can always learn something from someone else. So, I consider myself to be an open-minded person. I like to hear other people's ideas and beliefs, as well as learn about other cultures and try new foods.

So, please feel free to write to me, and thank you for taking the time to read my profile.

P.S. Because we get digital mail, my mailing address is different from where I am located in Oregon.
