

Drew Weehler-Smith is 27 years old and incarcerated in Iowa, USA

Hi, everyone!

My name is Drew Weehler-Smith, and I'm interested in making new friends. Sometimes serving my sentence can feel monotonous. I think making new, quality relationships would be a great way to add value to your my life. I bring a lot to the table, and I'm looking for people to bring the same effort.

Things I do to stay busy include: working my orderly job, lifting weights, playing slow pitch softball, and basketball. I enjoy learning new subjects. Right now I'm into rental real estate, and I'm doing a pesticide management certification through Iowa State University. I listen to all types of music, most notably, country, rap and hip-hop. I also enjoy watching NASCAR, and my favorite sports teams on T.V. Preparing for release this fall is a big priority too.

If you're interested in corresponding with me, the easiest way to do so is by making an email account and adding me using my email carrier listed below. Since I'm interested in what you have going on, feel free to send me a picture through the app listed in my contact info box. There is a small fee. After all, they say a picture is worth a thousand words.

I really like to talk on the phone too if that interests you.

I can't wait to hear from you!

Your new friend,

Drew
