## Josef Williamson is 34 years old and incarcerated in Michigan, USA

My name is Joseph Williamson. I am a 34-year-old single male who's looking for a female friend I can share my life experiences with and who is willing to share hers with me.

Some things you should know about me are I am mixed race, I'm 5'10", 185lbs, with an athletic build. My eyes are hazel and I have a lot of tattoos. I love all types of music, reading, writing, laughing, working out, and learning new things. Being Intelligent, spontaneous, down to earth, funny, and honest are some of my best traits.

My plans when I get out of prison are to go back to college and learn skills that will be useful in starting some small business, travel, and live my life to its fullest potential. I've learned to cherish the small things in life most people take for granted.

I hope to meet a beautiful woman who is intelligent, understanding, positive, funny, and who can bring a smile to my face. Hopefully this is you.

So, I leave you with this, " Many times people view challenges as the sunset of life, rather than the sunrise of a bright new opportunity. I am hopeful that I can find a remedy to the numb feeling of feelings, like a part of myself is missing or loss, or maybe I need to be awakened. Every aspect of my being is yearning, a yearning to be challenged in a way that will elevate not only myself, but the one who can interact with me in a metaphysical state of being... Let the sun rise within so we can begin... Begin a new me and you... My only question is, who?"
