Terrance Henderson is 39 years old and incarcerated in Virginia, USA

What's good, ladies? I hope this message finds you in the best of health and spirits. As for me, I'm striving to make each day better than the last. Although I may face many struggles and burdens behind these prison walls, I find myself blessed with the precious gift of life, so I can't complain too much. But anyway, my name is Terrance. I really don't know what to expect from this experience; however, I'm looking forward to meeting some interesting individuals with whom to exchange thoughts and life lessons/experiences, and I'm definitely open to connecting with that special woman with whom to share much more.

I'm pretty much an open book. I don't have anything to hide, so if you ask, you shall receive. Just be sure that you're open-minded enough to accept my responses because I've been told that sometimes I keep it a little too raw, you know? I'm not seeking anything in particular from those who reply, only that you be true, because in this world full of illusions, I can appreciate someone real. If that's you, feel free to hit me up. I'm looking forward to hearing from you.

Respectfully,
