

Sean Johnson is 42 years old and incarcerated in Texas, USA

Peace be upon you. My name is Sean, and I am currently serving a 30-year prison sentence. I will be eligible for parole in 2032. Before I turned myself in, I was a special education teacher in Fort Worth, TX. While in prison, I have attained a paralegal diploma and am now working toward a dual associate's degree in business management and culinary arts. Upon release from prison, my goal is to become either a chef or manager in the food service industry.

I converted to Islam on November 26, 2023, after a long and arduous journey through a variety of different religions. It was absolutely the best decision I have ever made. Before I chose submission to God alone, I was a wretched and judgmental human being enslaved to pride, jealousy, selfishness, and lust. Allah has humbled my heart, and while I continue to harbor a lot of guilt for the pain I have caused to countless people, all I can do is continue to move forward.

My hobbies include but are not limited to cooking, reading, listening to music, cycling, hiking, watching fantasy and dramatic movies, and enjoying the company of animals. I am seeking friends, but more importantly, my heart yearns for a kind and sincere Muslim woman, my Sihaya (yes, I am a fan of the Dune series), who I can spend the rest of my life with.

Thank you so much for your time and consideration. I am looking forward to hearing from you soon.
