

Kevin Jones is 42 years old and incarcerated in Virginia, USA

Hi, my name is Kevin, and I have 8 months left. I'm 6'1" tall and weigh 200 pounds. I enjoy many activities. I love to work out, dance, fish, swim, laugh, be with animals, and enjoy nature. I love children, and I am a born leader who leads with compassion and empathy. I enjoy so many things that it'd be easier to name what I dislike than what I like. I love life and have learned to appreciate the small things.

I have been incarcerated for 16 years, and I only have 8 short months left. I'm a positive, intelligent man and am looking for friends on the outside because we all should have healthy support systems. The world is going to be laid out before me shortly, and I'd love to have great people to share that experience with. I'd love to share my hope, happiness, and positive energy with others.

I have been on the painful side of disloyalty, and I know how awful it feels. I value honesty and loyalty above all else and invite nothing less into my life. I'm excited about my release date and excited about the people I'm about to meet. Thank you for visiting my profile; I can't wait to hear from you. I also have access to a telephone. If I don't immediately respond, please don't be discouraged; the facility may be locked down. Thank you, and God bless.
