

# Jonathan Hamilton is 20 years old and incarcerated in Missouri, USA

Just looking for someone serious to talk to that I know can put a smile on my face in this horrible place. I'm super honest and caring. My friends say my kindness is my best quality and also can be my worst because people take advantage of it all the time but I don't care because I think that everyone deserves to have kindness shown to them.

I'm young and made some bad mistakes but I won't let this determine how my life will be. I want a different path and a woman that believes the same thing and that can help me become a better man.

I look forward to meeting you!
