

# Eric Barnard is 46 years old and incarcerated in Colorado, USA

Howdy!

So, what can you say in just a few words to introduce and describe yourself to the world? To start, my name is Eric. I'm a 46 year-old white man with a bald head and blue eyes. If I had to describe myself in a nutshell, I'd say I'm a fun-loving person who loves to laugh, spend time with family and friends, and try new things. Some of my interests include movies, music, art, sports, and fitness. I love movies, but nothing beats a Clint Eastwood flick! Music is a big part of my life, and I listen to everything! I love all sports. I'm also a Level-1 CrossFit instructor. Most of my day is spent teaching, coaching, and mentoring young men in CrossFit through the crucible of sweat. I've had a number of jobs in my life, but being a CrossFit instructor has been one of the most rewarding experiences I have ever had.

In the past, I've written to people from around the world. I've truly enjoyed hearing from and learning about their lives and cultures. I'm an open-minded person and enjoy writing to people from all walks of life. So, the one thing I always want people who write to me to know is that if you write to me, I will take the time to write you back.

So, if you're looking for a pen-pal, drop me a line and let's see if we can strike up a conversation about life and all that it entails. Until then... Best wishes.

P.S. If you write by email, please remember to send an address such as a P.O. Box or street address, because we do not have internet access, and all mail sent to us must be sent by U.S. postage. Thank you.
