

Trevor Kuk is 40 years old and incarcerated in California, USA

Hi, I'm Trevor Kuk, mucho gusto. I'm a 40 y/o Chinese American born in Australia, grew up in LA, SGV area. It's just my Mama and I now; she's still #1 fan, yes. I'm here for some crazy stuff. I admit I like the rush, but thank God no one got hurt. I never compromised on integrity. I can get elderly paroled in 9 years. I've dedicated myself to real change AKA midlife crisis. Lol.

I'm into fitness & nutrition, PBS documentaries, cooking & eating, fashion, drawing ("Yard Birds" comic), self-help, small space design, and environmental conservation.

"Yard Birds" is a reality-based comic I created about living in prison but from the perspective of birds. Why birds? Prison is a serious subject and the cartoon birds keep it light-hearted. It is also my first comic strip.

My dream is to meander across the country in an RV on a motorcycle. My guilty pleasure is chips, ice cream, and "Bachelors in Paradise." Lol, all at the same time! Last movie watched was 'Elvis'. Last book read was '7 Habits of Highly Effective People'. Last TV show watched was 'Nature.' Favorite color is red.

That's a little about me, I'd love to learn about you so holla at ya boy! I'm looking for a friend to help pass the time and if it turns into something more serious, I am open to it.
