

Rudy Chavez is 36 years old and incarcerated in California, USA

Hello, how are you? I hope all is well. My name is Rudy, and as I write this, I'm sitting on a level 2 yard. It's taken me about 20 years to get here, a long journey to say the least. The good thing is it's almost over. I'll be going back to court sometime this year.

As good as it is being on a level 2 for court and resentencing, it's a lot more difficult than I thought. Too many young dudes going nowhere fast. But I was younger once, so I get it. With that said, meaningful conversation is lacking. And that's all I'm looking for, some good conversation. A friend to talk to so I can be freed from these 4 walls, and freed from the madness that is prison. I'm an open book, feel free to ask what you please.

You can email me through the app, and I will be sure to write back. I'm going to keep it short for now. I'm looking forward to hearing from you. Send me a few lines. Thank you for your time.
