Joel Javier is 39 years old and incarcerated in Massachusetts, USA

Hey, my name is Joel Javier. I am from Lawrence, Massachusetts born and raised of Dominican descent. I have been incarcerated since 2011 and it has been very eye opening to say the least.

Well, thru out the years I have lost many friends and close relationships because of the toll prison takes on your loved ones. I am seeking correspondence with anyone who enjoys conversations and sharing a few laughs. I am also interested in legal and educational help.

During my time here I've tried to use my time constructively. I'm currently attending Boston College for a Bachelors in liberal arts. I have a few mentors that have been very helpful in my pursuit of my degree.

I know this is a great platform for inmates to reach out and seek long lasting friendships and or relationships that may be helpful to us when we are released which is what I am seeking. If you are interested in corresponding with me, you can email me thru the email carrier listed below. We are provided with free phone calls and video visits.

My hobbies are listening to music, bachata, hip hop, reggaeton, RnB, soft rock, I also enjoy working out, watching sports, reading books when I'm not busy with finals.

So if you think we may have something in common shoot your shot. Any time and effort you dedicate to me will be reciprocated.
