

Kenneth Hubbard is 43 years old and incarcerated in Tennessee, USA

Hello, my name is Kenneth Hubbard.

I am here in hopes of establishing positive pen pals/friends to correspond with by mail to help me with bettering my life in prison and upon my release, helping me become a better member of society.

I enjoy drawing and working with my hands. My career goal, which I'd like to obtain after my release, is in excavation and plumbing. And when it gets closer to my release date, I'll be in need of assistance with housing. I have goals I'd love to accomplish on the outside, such as getting my driver's license and attending a college or institute to further my education. There is a lot to learn about me. I am very open-minded, extremely honest, sincere, and very considerate of others. If you're interested in corresponding with me by mail, then I hope to be hearing from you soon.
