## Julio Fraire is 36 years old and incarcerated in Kansas, USA

I'm a 36-year-old Mexican-American. I've been locked up for 9 years, but I'm in my appeal process. I'm 5'7" and 175 lbs. First and foremost, I'm just looking for someone or a friend to talk to and chop it up with. I believe in this world there's nothing better than a sincere friend and a loyal companion. Those are rare qualities that we seem to lack nowadays, so I take that really seriously. I believe that the best friendships or love come at the most unexpected and uncertain circumstances.

With all this being said, if you want to get a hold of me, go through the messaging app. I have my own personal tablet, and as soon as you add me on there, I'll be able to message you back.
