

Jonathan MacMillan is 39 years old and incarcerated in Georgia, USA

Before I arrived in prison, I was a master carpenter. I was employed in the movie industry as a set carpenter. I worked on many movie sets for all the major studios in Atlanta for 10 years. Once I'm released from prison, I have a position as a set carpenter. Since I've been in prison, I went back to school and received my G.E.D. I plan to get my college degree soon. I've also taught many other inmates how to graduate too. I've learned Spanish, and I can read Greek and Hebrew as well.

I have a great sense of humor. I started performing stand-up comedy for the inmates here, and I'm also a motivational speaker. I currently work as a metal shop foreman, welding and fabricating. I like to stay active and keep my mind sharp. I enjoy reading and working out. I'd like to meet a like-minded woman I can get to know better and build a friendship with.
