

Kendrick Ford is 45 years old and incarcerated in Texas, USA

I wouldn't be me if I wasn't honest with my intentions right from the jump. I'm looking for someone who is willing to endure this journey of life with me. I'm no longer as young as I once was, and I am ready to find someone for the long-term... but I'm getting ahead of myself. Obviously, you generally like what you see, or you wouldn't have stopped to read this, lol, but here's a little more about me.

I'm a 45-year-old Libra, and my birthday is the 25th of September. As you can see, I'm a big dude, weighing in at 280 and standing at an even 6'3". Rest assured, most of that 280 is muscle, as I was an avid swimmer and love to work out to this day. Though I'm currently stuck in my situation, I have a goal of opening my own business back home in Amarillo, TX when the opportunity arises.

But like I started out, I'm looking for a friend who is willing to look and see where this could all lead to. I won't lie, I've been burned before, but I still keep hope alive that I can find someone who helps me be a better father and a better man.
