

# Tiger Worthington is 26 years old and incarcerated in California, USA

•Free Phone Calls •5¢ Text Messages •24/7 Tablet & Phone Access •Looking For Friends Or Something More •Professional Phone Sex Operator

What's goin' on y'all?. My name is Tiger Kali Worthington & I'm a partnered, polyamorous, pansexual man from Oakland, CA I'm 5'11", 175lbs; I workout 7 days a week. I'm an athletic, romantic, nerdy hippie-thug, a BDSM, DDLG, MDLB, raceplay, fantasy, kink & roleplay enthusiast & a professional dom. I'm also an aspiring author, screenwriter & film director with an associate's degree in Psychology in the works.

I'm looking for friends or something more & am hoping to build relationships & connections that will last long after my release. I like mature, confident, submissive, emotionally intelligent women & transwomen of all races, ages, shapes & sizes, from slim to plus-size, especially women of color. I am a romantic at heart and am looking for partners that are genuinely interested in commitment and building long-term connections. I'm looking for people to vibe and grow with; I need friends & partners who push me to be the best possible version of myself and expect the same in return.

I have been practicing polyamory for over 7 years now, because I don't believe in minimizing or restricting my or my partners capacity for love, sexuality or the unlimited potential for emotional & romantic connections. I look forward to meeting other progressive, like-minded people who believe in supporting rather than suppressing the romantic and sexual desires of their partners.

I'm a natural-born leader, protector & provider but because of my current circumstances, cannot provide for myself & am looking for friends/partners who are stable enough to offer me financial support during my incarceration until I can come home and return the favor.

The phone calls are free in my prison, text messages are 5¢ & I have a tablet in my cell with 24/7 phone access, texting & videocalls so don't be discouraged from reaching out if you're not in California.
